June 12, 2022

Dear Sir/Madam,

On behalf of United Chinese Americans, we cordially invite you and your company/organization to join us as our sponsor in UCA's 2022 Chinese American Convention.

UCA is a coalition of grass-root community organizations dedicated to the enrichment and empowerment of the Chinese American community in the United States. UCA was formed at the first Chinese American Convention in September 2016 and has since grown into a national federation of 12 local chapters in Atlanta, Connecticut, Illinois, Iowa, Massachusetts, Nevada, New Jersey, Washington State, West Virginia, Wisconsin, New York City and San Francisco and over 30 community partners nationwide.

Our 2022 Convention will host more than 300 community leaders and 200 youth leaders, guest speakers and journalists from all over the country. We will talk about issues that concern the Chinese American community the most, such as anti-Asian hate crimes, civil rights & civic participation, Chinese American culture, value & identity, grassroots activism & community services, youth development & training of next generation young leaders, US-China relations and the future of Chinese American community, etc.

Attached please find our sponsor kit for your review. If you are interested in our sponsorship opportunities, please contact us at (206) 708-0399 or info@ucausa.org by email.

UNITED CHINESE AMERICANS

美國華人聯合會

Chinese American Convention (美国华人大会), held every two years, is a national and open convening platform for Chinese communities. Organized by the United Chinese Americans (UCA), a national community-based coalition and civic movement, the first and second conventions were held in 2016 and 2018 respectively. Due to the pandemic, the third convention, originally scheduled for 2020, has been postponed to the summer of 2022. As with our first two successful conventions, our third convention will bring together hundreds of community and civic leaders, activists, elected officials, academics as well as business leaders and entrepreneurs from across the country. They will come together to discuss issues and concerns, share unique experiences, forge consensus and common agenda, and explore opportunities to work together. For 2022, UCA will also hold its inaugural **UCA National Youth Convention (UCA 全国青年大会)**, where hundreds of young students (high school and college) will convene in the nation's capital to network, learn from each other, expose themselves to new ideas and initiatives, and ultimately nurture a youth movement for change among the Chinese American community.
